S.T.A.R. KIDS

Musical Theatre Camp

June 13-17, 2022
Rising 4th-6th Grade

June 20-24, 2022
Rising 6th-9th Grade

The Nixon Centre's S.T.A.R. Kids Musical Theatre camp is created for budding performers who are eager to sing, dance, and perform.

In a week-long camp setting, students receive musical direction, performance coaching, choreography, and rehearsal techniques from professional directors and educators.

Daily instruction and rehearsals culminate in a performance for family and friends on the last day of camp.

We promote an environment for all students who have an interest in the performing arts to flourish.
